Sharing Basket

Many parents are asking with what to fill our sharing basket. These are some things you may find in a traditional Montessori Sharing Basket: bunch of bananas, baby carrots, box of herb tea

bags, soft and spreadable cream cheese, hummus, small tea cookies, biscuits or wafers, green leaf lettuce, bottle of ranch dressing, fresh cut flowers.

Please no Peanuts.

Birthday Celebrations

Parents are welcome to join us for Birthday Celebrations.

It is a Montessori tradition for your child to give the class a small gift on their birthday. A tiny vase, a small tray, a small wooden or silver object for polishing, or a scented candle are all nice gestures.

Please no Peanuts in Birthday Snacks.

Thank you for remembering to fill our sharing basket every week. We have lots of hungry mouths at snack time.
