Agreement for the Use of Computers and Telecommunication Resources
PARENTAL CONSENT FORM

St. Joseph Catholic Academy has chosen to permit students' access to computer and telecommunication resources to further its educational goals and objectives. Reasonable care has been taken to assure the appropriateness and educational quality of the material available to students in the curriculum based Computer Applications courses and the Technology Resource Center networked resources, including access to the Internet. However, parents and guardians are warned that St. Joseph Catholic Academy and the Archdiocese of Milwaukee do not have total control over the information available on the Internet. Parents and guardians are the primary authority responsible for imparting the standards of ethical and legal conduct their child or ward should follow. Therefore, St. Joseph Catholic Academy supports and respects each family's right to decide whether or not their child may have access to these resources.
